2011/2012 COED INDOOR SOCCER INFORMATION

Registration is beginning for the 2011/2012 indoor soccer season. The season will begin the week of October 16th and continue through until mid to late April.

COED DIVISION – MIXED MEN’S & WOMEN’S:

We will once again be offering our Coed Division mixed men’s & women’s league. This year we will have 2 coed divisions, a more competitive division and a recreational division. These divisions are open to all men’s & women’s players 16 years and older.

This season the league will allow the registration of full teams (12 players minimum, 18 players maximum), and we are initially allowing teams to choose the division they want to play in. However we reserve the right to move teams up or down a division at any point during the season if we deem it necessary to keep parity among the divisions.

You can also sign-up as individual players or as a group of 6 or less players. The league will divide these individual players into teams. However, you may request to play on the same team with your friends and/or spouses and we will try to honor the requests as much as possible. The league also reserves the right to move players to another team at any time during the season to try and keep the coed league balanced. Note: We cannot guarantee that we will be able to form a team for all individual and group players. In the event that we cannot fit you on a team your registration fee will be refunded.

The Coed Division game days are changing a bit from last year. Saturday nights are no longer available to us at the Northern Sport Centre so all Coed Division games will now be on Thursday and Friday nights throughout the season. There will be some game times on other days of the week as well in order for us to fit in all of the games but we will try to minimize this as much as we are able to.

Both coed divisions are for recreation and fun only. We will keep league standings but will not be counting goal scorers and such.

We will not tolerate serious foul play or fighting of any kind in any of the divisions. A red card for any of these incidents will most likely result in that player being suspended from the coed league for the duration of the season.

We are planning for an October 20th start date and games will continue through to mid-April. Teams will get 18 to 20 games.

The Coed Division will be played 7 a-side. 3 women and 3 men (plus a goalie) must be on the field at all times.

If you have a group of less than 12 players that would like to play together on a team, please complete the Coed Team Registration for as well as the individual Coed Player registration forms, and the league

will try to form some teams but please be advised that we cannot guarantee that we will find a spot for all of the players. If we cannot find a spot for you then the registration fees will be refunded.

Drop-in players are NOT allowed. All players must be registered with the BCISL in order to play. Once the league is under way we will be instituting a player call-up list that coed teams can call up players from when short-handed. There will be a cost per game associated with this.

And finally, now that we know how the HST and the increase in expenses from the HST has affected the league, we have had to raise the registration fees by a small amount of \$5 over last year.

Registration Fees for the 2011/2012 season: (All prices include HST)

- **\$165 for non-league members. That is, for players playing ONLY in the coed division.**
- **\$125 Discounted rate for REGISTERED league members. That is, for a player also playing in another BCISL division for the 2011/2012 season.**

Registration Deadline: October 1st.

Please see the Coed Player Registration Forms and Coed Team Registration forms for additional information.

Registration forms are available on the BCISL website at www.bcisl.com

If you require further information please send an email admin@bcisl.com

Or contact Rob Niedermayer at 250-562-4261, but the best way to reach me is by email.
