## 2011/2012 MEN'S INDOOR SOCCER INFORMATION

Registration is beginning for the 2011/2012 indoor soccer season. The season will begin the week of October 16th and continue through until mid to late April.

**Please note: All games in all divisions (except for the Coed Division) will be played 6 a-side (5 plus a goalie).**

Most men's division games will be played on Sunday's between 10:00 am and 10:00 pm, there may also be the occasional game on Tuesday, Wednesday, or Friday's depending on the number of teams registered and in order to fit in all of the games but we will try to minimize this as much as possible.

Now that we know how the HST and the increase in expenses from the HST has affected the league, we have had to raise the registration fees by a small amount of \$5 over last year, except for the Men's Division 1 whose player registration fees have been raised by \$10 and whose team fees have been raised by \$15 to cover the additional costs of having two referees for all of their games.

There are no discounts for players wanting to play in more than one division (except for those also playing in the coed division who will receive a 25% discount this year on their coed registration fees).

### **DIVISION 1 – COMPETITIVE:**

This will be an open division for all teams and players wanting to play at the top level of indoor soccer in Prince George.

Most games will be on Sunday's. There will also be games on other days of the week as required to fit in all the games.

**We will only accept full Team Registrations for this division. Players must register as part of a team. Individual players looking for a team will be put on a wait list for the team managers but a spot on a team cannot be guaranteed.**

Teams must register a minimum of 12 players and a maximum of 18.

Please note: The league will be scheduling two referees for all Men's Division 1 games throughout the year. To help offset the cost of this the team registration fee for Men's Division 1 teams is higher than for the other divisions.

**Registration fees: Team Registration: \$375 per team. Team Bond - \$150. Player Registration - \$170 each (12 players minimum, 18 Maximum).**

**Final Registration Deadline: October 1<sup>st</sup>.**

### **DIVISION 2 & 3 – RECREATIONAL:**

These divisions are intended for teams and players who want to play at the recreational level.

Most games will be on Sunday's. There will also be games on other days of the week as required to fit in all the games.

**We will accept only full Team Registrations for this division. Players must register as part of a team. Individual players looking for a team will be put on a wait list for the team managers but a spot on a team cannot be guaranteed.**

Depending on how many teams register we may have to combine (as was done at the start of the season last year) for scheduling purposes, and the split the division either at the beginning of the season or part-way through the season as was done last year.

**Registration fees: Team Registration: \$210 per team. Team Bond - \$150. Player Registration - \$165 each (12 players minimum, 18 Maximum).**

**Final Registration Deadline: October 1<sup>st</sup>.**

### **MASTERS DIVISION – 40 YEARS & OLDER:**

This division is strictly for players 40 years and older. All players must be 40 years old by December 31st of 2011.

Most games will be on Sunday's. There will also be games on other days of the week as required to fit in all the games.
